Session 2025-2026

Report on

Safer Internet Day 2026

Date: 10/02/2026

Session Details:

Title of the Session:

Safer Internet Day 2026 – Smart Tech, Safe Choices: Exploring the Safe and Responsible Use of AI

Date: 10th February 2026

Duration: 2 hours

Mode: Online

Activity Category: Celebration / Awareness Program

Theme:

Smart Tech, Safe Choices – Exploring the Safe and Responsible Use of AI

Expert / Speaker Details:

Name: Dr. Sushama Telrandhe

Designation: Associate Dean – R&D

Organization: GNIET, Nagpur

Brief about Expert / Speaker:

Dr. Sushama Telrandhe is a distinguished academician and researcher with extensive experience in research, innovation, and responsible technology practices. As the Associate Dean (R&D) at GNIET, Nagpur, she actively contributes to promoting ethical research, digital safety, and responsible use of emerging technologies. Her expertise in Artificial Intelligence, data ethics, and cybersecurity awareness makes her a valuable resource person for guiding students and faculty towards safe and informed digital practices in today's AI-driven environment.

Objective:

The primary objective of celebrating **Safer Internet Day 2026** was to create awareness among students and faculty about the **safe, ethical, and responsible use of the internet and Artificial Intelligence**. The session aimed to highlight the importance of digital safety, data privacy,

ethical AI usage, and responsible online behavior. The program also intended to encourage participants to make smart technological choices while leveraging AI tools responsibly.

Outcome of the Activity:

The session successfully achieved its intended objectives. The key outcomes of the event are as follows:

- **Increased Awareness on Digital Safety:** Participants gained a clear understanding of online risks, cybersecurity threats, and preventive measures.
- **Responsible Use of AI:** Students learned about ethical AI practices, data privacy, and responsible decision-making while using AI tools.
- **Enhanced Digital Literacy:** The session strengthened participants' knowledge about safe internet practices and emerging AI-related challenges.
- **Active Engagement:** The interactive nature of the session encouraged participants to ask questions and share concerns related to online safety.

Key Highlights:

- **Overview of Safer Internet Day:** Introduction to the global importance of Safer Internet Day and its relevance in the AI era.
- **Responsible AI Usage:** Dr. Telrandhe discussed ethical challenges and best practices for using AI safely and responsibly.
- **Cyber Safety and Data Privacy:** Emphasis on protecting personal data, avoiding cyber threats, and maintaining digital well-being.
- **Interactive Discussion:** Participants actively interacted with the speaker during the Q&A session, clarifying doubts related to AI safety and online behavior.
